

KENDRIYA VIDYALAYA WELLINGTON

Mission Statements

Short Term:

Beginning at the foundation i.e. at the Primary level, the Vidyalaya aims at achieving the following,

Every Student shall be trained at developing the basic skills i.e., Reading, Writing and Arithmetic and language skills.

At the secondary level the Vidyalaya aims at achieving the following

- a) Development of values through value based assembly programmes, and active Integrity Club to instill values and CCA programmes based on values which require active participation of the students and thus achieving the required purpose.
- b) Students participating in more competitions such as NTSE, Youth Parliament and on-line competitions.
- c) Inculcating scientific temper in students through projects based on science, and participating in competitions conducted at various levels inside and outside the Vidyalaya.

At the senior secondary level the Vidyalaya aims at achieving:

- (i) A cleaner and Greener Environment by beginning with the school, the community and progressively the nation at large and thus making the “**Swacch Bharat Mission**” a reality.
- (ii) Making useful things out of refuse by implementing garbology with the active participation of the members of Eco Club and involving the community around the school.

Long Term:

By 2022, the Vidyalaya resolves at attaining **overall excellence** in all spheres such as Academics, Sports, CCA, Personality traits, Technical excellence, Language skills, Character building and Nation building.
